

1 trepidation for this moment when somebody would want to
2 get rid of what may be old, archaic language, but involves
3 millions of dollars, and step into something that we are
4 just not too sure of.

5 It reminds me of a beautiful picture, Whistler's
6 Mother. It is good and worth while, and a lot better than
7 some of the impressionists' pictures that I don't understand.
8 I am sure it is as good as the miniskirted pictures, which
9 I am sure all of us do.

10 Let us hold to this, since we know what it means.
11 Whoever prints it will have to put the other part in anyway.

12 I urge you to vote against the amendment.

13 THE CHAIRMAN: Ring the quorum bell.

14 The question arises on adoption of committee
15 recommendation No. LB-3 as modified. A vote Aye is
16 a vote in favor of the amendment. A vote No is a vote
17 against.

18 Cast your vote.

19 Has every delegate voted? Does any delegate
20 desire to change his vote?

21 The Clerk will record the vote.
